NOTE: This plan is prepared from a combination of field survey and existing records for the purpose of showing existing conditions of the land and should not be used for any other purpose. Prior to any demolition, excavation or construction on the site, the relevant authority should be contacted for possible location of further underground services and detailed locations of all services. Dimensions take precedence over scale. Boundaries shown on this plan are approximate only. This note is an integral part of this plan.
CONTOUR INTERVAL 0.200
